Love & Logic[®] Parenting Workshops

with
**BRIDGET KRAMER,
LMSW, ACSW**

Love and Logic is a parenting philosophy with easy to use techniques that work with kids of any age! Tired of arguing with your kids? Want to have more fun parenting? Having trouble getting your kids to do their chores? Want tricks for reducing backtalk? Want to know how to get your kids to listen? Learn effective communication that works! Love and Logic techniques help increase the odds of raising responsible, productive, happy children and prepare kids for the real world!

This 2 hour workshop is a great way to kick-start or “re-boot” your parenting!

Sign up now—space is limited!

Cost per workshop:

\$50 per person

or
